

2022 Canada Summer Games Diving Technical Package

Technical Packages are a critical part of the Canada Games. They guide the selection of athletes by prescribing the age and eligibility requirements, assist Host Societies by detailing competition formats and scoring procedures, assist provincial/territorial mission team (P/T Team) Chefs de Mission in verifying eligibility, identify the maximum number of participants permitted, advance coaching certification by stating minimum requirements and generally contribute to athlete development by identifying each National Sport Organization's (NSO) version of athletes in the "Train to Compete" phase of its Long Term Athlete Development Framework (LTAD), or other suitable phase of the framework as justified by the NSO, discussed with the LTAD expert group, and approved by the Canada Games Council (CGC) Sport Committee.

Every Games' technical representative, coach, manager, sport leader and mission staff has an obligation to read and understand every aspect of the Technical Package. Failure to do so could cost an athlete their eligibility for the Games or could affect final standings or the conduct of the competition. If someone does not understand an aspect of a Technical Package, they are to seek clarification from the CGC Sport Committee through their Chef de Mission or NSO.

Technical Packages are developed 36 to 24 months prior to Games primarily by NSOs, following the Principles that Govern Technical Packages, guidelines and requirements of the CGC. As the overall governing body of the Games, the CGC has the ultimate authority over Technical Packages, but this authority is exercised only with the knowledge and understanding of the concerned NSO. Generally, Technical Packages are developed by sport, but in certain cases may be developed by discipline.

If an individual wishes to seek clarification or initiate a change to a Technical Package leading up to a Games, the request should be first directed to the NSO or the Chef de Mission. The NSO or Chef de Mission will evaluate the merits of the request and will, if it has merit, submit the requested change or clarification to the CGC's Sport Department for consideration. The NSO or Chef de Mission will provide the rationale for the request. Changes to age groups, eligibility requirements, team sizes or staff complements will not be considered within 36 months of the Games. Additions or changes to events/competition formats that result in a significant cost increase to the Host Society will not be considered within 24 months of the Games, unless approved by the CGC and the Host Society. Substantive changes to events or competition formats will not be considered within 18 months of the Games, unless approved by all participating Provincial/Territorial Sport Organizations (P/TSO) and the CGC. Minor corrections will be considered at almost any time, but will be increasingly difficult to achieve within six [6] months of the Games. These time frames reinforce the importance of complete understanding of the Technical Package by Games' stakeholders early.

6. TIE BREAKING RULES - COMPETITION

In case of any ties, the tied divers shall be awarded the same position, and the next position(s) shall be eliminated.

7. REGISTRATION & EVENT ENTRIES

7.1. Canada Games Council Registration Deadline

All participants (athletes, coaches, managers and additional team staff) must be registered in the Canada Games electronic registration system no later than 14 days prior to the Opening Ceremony (July 23rd, 2022).

7.2. Event Entry Deadline

Event entries for each participant/team must be confirmed at the Coach/Manager meeting held prior to the first event, according to DPC rules.

8. SPORT SCORING POINTS

Sport scoring points are a tool used to determine the performance of a Provincial/Territorial Team across all events within a sport. At the conclusion of an event, sport scoring points will be awarded using the following criteria:

8.1. Individual Events

- The Province/Territory's three (3) best placings will count for sport scoring points for 1M, 3M & Platform and two (2) best placings will count for sport scoring points for Artistic.
- For the finalists, the points scored in the Final session determine the placings 1-12.
- For those divers eliminated in a Preliminary competition, the points scored in the Preliminary competition determine the placings 13th and beyond.
- If an athlete does not finish or is disqualified, the athlete will not receive sport scoring points.
- If there is a tie between two individual divers, points will be shared equally between competitors (i.e. If two athletes are tied for first then each athlete would receive 98.5 points $[(100+97)/2]$ and 3rd place points would be awarded to the next finisher).
- For 1M, 3M & Platform, the 4th ranked athlete from each P/T and for Artistic, the 3rd ranked athlete from each P/T will not be included in sport scoring. The remaining divers will be re-ranked accordingly (i.e. if the 4th athlete from a P/T finishes in 17th place, the diver having finished 18th will be re-ranked to 17th place and so on).
- Each event will be scored separately.
- Sport scoring points for the 1M, 3M, Platform & Artistic competitions will be awarded based on the chart below:

Pos	PTS	Pos	PTS	Pos	PTS	Pos	PTS	Pos	PTS
1st	100	9th	79	17th	69	25th	61	33rd	53

8th	81	16th	70	24th	62	32nd	54		

8.2. Team Event

- The Province/Territory's best placing will count towards sport scoring points.
- The team who accumulates the highest total points shall be ranked first, the team with the second highest total shall be ranked second, etc.
- The 2nd ranked team from each Province/Territory will not be included in sport scoring. Teams will be re-ranked accordingly (i.e. if the 2nd team from a Province/Territory finishes in 8th place, the team having finished 9th will be re-ranked to 8th place and so on).
- If a team does not finish or is disqualified, the team will not receive sport scoring points.
- If there is a tie, points will be shared equally between teams (i.e. If two teams are tied for first then each team would receive 98.5 points $[(100+97)/2]$ and 3rd place points would be awarded to the next finisher).
- Sport scoring points will be awarded based on the chart below:

Placing	Points	Placing	Points	Placing	Points

9. FLAG POINTS

Games to Games performance by a P/T Team at the Canada Games is measured by accumulated Flag Points. Every P/T Team is awarded Flag Points for its ranked performance in each sport in which it competes.

In Diving, Flag Points will be awarded together for female, male and mixed team events based on the total of sport scoring points awarded.

After ranking the P/T Teams from first to last, and after any ties have been resolved as detailed in Section 10 (Tie Breaking Rules - Flag Points), Flag Points will be awarded as follows:

Placing	Points	Placing	Points	Placing	Points
1st	20	6th	10	11th	3
2nd	18	7th	8	12th	2
3rd	16	8th	6	13th	1
4th	14	9th	5		
5th	12	10th	4		

10. TIE BREAKING RULES - FLAG POINTS

If a tie exists in the overall Provincial/Territorial Ranking, the higher points will be given to the team with the most event first place finishes, then second place finishes, and so on until the tie is broken.

11. MEDALS

The Canada Games will award medals to athletes only.

Individual Events:

- 1m Springboard (M & F)
- 3m Springboard (M & F)

14. PROTEST & APPEALS

14.1. Canada Games Council Appeal Policy

Appeals relating to the Diving Technical Package or any decisions made by the CGC will be made in accordance with the CGC's [Appeal Policy](#).

14.2. Competition Protests

As per the DPC Rule Book.

15. ANTI-DOPING & MEDICAL

The CGC adopts the Canadian Anti-Doping Program (CADP) Covenant as a fundamental commitment to engage in a cooperative and collaborative effort to eliminate doping in sport and to support harmonized, coordinated and effective anti-doping measures in Canada. Any Canada Games participant (athlete, coach, manager, technical support, or other person) found to have committed an anti-doping rule violation at the Canada

Games (as determined pursuant to the CADP) will be subject to all of the penalties and consequences, as outlined in the [Canadian Anti-Doping Program](#).

Canada Games rules do not allow team staff to practice as therapists, physicians or other medical or paramedical practitioners. The Host Society (organizing committee) is responsible for providing high quality medical care at a central clinic at the Athlete's Village and at competition and training venues. The Host Society will ensure that French and English speaking and male and female persons are available, and also ensure that sport specific medical expertise is available. Team staff will not be permitted to administer medical care to athletes.

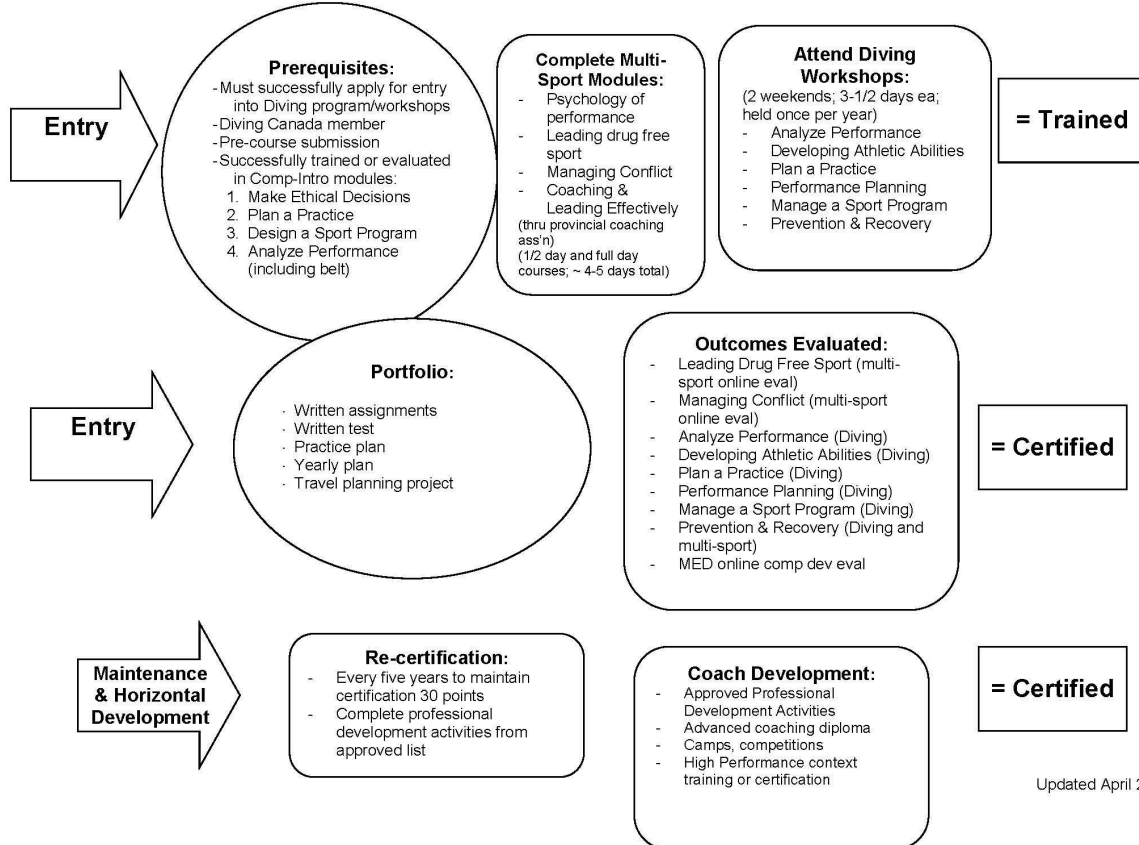

16. APPENDICES

Please review the attached appendices as they form an integral part of this technical package.

- APPENDIX 1 - Coach Certification Requirements
- APPENDIX 2 - Performance Guidelines

APPENDIX 1 - COACH CERTIFICATION REQUIREMENTS

Diving Competition-Development Coach Pathway

Updated April 2015

APPENDIX 2 - PERFORMANCE GUIDELINES

The following Performance Guidelines have been established by the respective NSO, at the request of the CGC and the Federal-Provincial/Territorial Sport Committee (FPTSC), to reflect the expected training and/or performance parameters of a typical Canada Games athlete in the Training to Compete phase of LTAD. These Performance Guidelines have been developed as a tool for P/T teams to use at their discretion in the training and selection of their Canada Games teams. These Guidelines are not required selection criteria.

Diving Canada recognizes regional differences on how athletes are developed and selected for Canada Games. Below are some guidelines for provinces/territories to follow as to the type of athletes accessing the Canada Games.

1. Provincial/Territorial Teams at Canada Games should include the best athletes within the chosen stage of development or age group. In the case of Diving, the Competitive Foundations stage (Train to Compete) has been identified as the ideal stage of development for the Canada Games.
2. All athletes in this stage of development should have the opportunity to try out for the Canada Games Team.
3. Potential athletes are at or near Senior National Qualification.
4. Potential athletes must conform to Senior National Championship dive requirements.
5. Potential athletes must conform to age restriction of 19U.
6. Potential athletes should be training on an annual basis and be actively competing at the highest provincial/territorial level.
